Race Details

Boulder Reservoir Requirements: Zero Waste Event - Please sort your recycling, trash and compostable in the Western Disposal bins provided. **No Pets** - No animals are allowed in the park during this event. Please leave Fido & Fluffy at home. **No Glass Bottles or Drinks** - Glass bottles are prohibited inside of the Boulder Reservoir. Any glass must be wrapped or contained.

USATF Rules - This is a USA Track & Field sanctioned event. It is suggested that you make yourself aware of all USATF rules and guidelines before arriving on race day. USATF Rulebook link: <http://www.usatf.org/About/Competition-Rules.aspx>

Maps – You can access the course map by visiting <https://bbscendurance.com/boulderrezmarathon/#section-127-86>

Aid Stations - Aid Stations will be stocked with water and Hammer Heed and Hammer Gels. Aid station volunteers will be happy to refill your own water bottle as well, should you choose to carry one. Please dispose of cups in designated drop areas.

Audio Devices - Audio devices such as headphones/earbuds will be allowed on the course. So, pack the jams and get ready to rock!

Gear / Clothing Drop - We will provide a secure gear drop for any personal items or discarded clothing at finish line area. Please make arrangements or leave any valuable items at home or safely locked in your car.

Switching Distances - You must notify us if you would like to switch race distances. You can do so by notifying us at packet pick up, or with the Flatirons Event Timing Specialist on race morning.

Bibs - Wear your bib so that we know you are part of the race. If you do not wear a bib, you will not receive a finisher medal or a post-race meal. NO BIB = NO MEDAL.

Timing and Results - Chips must be worn around either ankle during the entire race. Volunteers will remove your timing strap at the finish line. Do not exchange timing chips with another athlete; your timing chip is unique to you.

Get Your Results Faster - Results will be posted on the side of the finish line trailer and will be updated throughout the day. Get a printed receipt with your official finish time at the timing trailer after you cross the finish line.

BBSC Rules & Policies - Bibs are non-transferable. Your bib provides BBSC with very important identifying information for the purposes of our medical program as well as timing. Transferring the bib would compromise these processes severely. We appreciate your cooperation. Violation of this rule may prohibit you from participation in future events and disqualify you from awards. Thank you for your understanding.

Medical - Medical Support will be located near the finish line. If you need medical assistance while on the course, look for support vehicles, aid station volunteers or tell another athlete and they will call it out to us as they pass by. All aid stations will be equipped with two-way radios for direct communication to medical support.

Post-Race Food – Snacks and water will be available to all finishers after the race. The post-race food/snacks and water will be located near the finish.

Shirt Swap - You will be given the size you ordered during registration at packet pick up. If you wish to switch your shirt for a different size, you can do so on race day. Please bring your original race shirt if you wish to exchange.

FinisherPix – Official race photography is provided by FinisherPix. Check the BBSC website for an updated link for race photos after the race or visit www.finisherpix.com

Awards – Overall winners will be awarded at the beginning of each awards ceremony. Top 3 in each age group (10-year age groups) for the Marathon, $\frac{3}{4}$ Marathon, Half Marathon & 10K will be awarded throughout the day. If you miss your award for any reason, shipping arrangements can be made within 2 weeks of the race. Shipping charges may apply.

Volunteer - If you or a friend would like to volunteer, please contact info@bbsctri.com and specify what day and time you can volunteer.
