

2022 Fall Recycle Run Athlete Guide

Recycle, reduce, reuse, and RUN. Slip on your sneakers and prepare for the Recycle Run, part of a run series geared towards recycling leftover race material.

Thank you for choosing BBSC Endurance Running. We pride ourselves on offering quality, affordable race experiences for beginners and seasoned runners.

Race Day Parking - Plentiful parking is available at Equestrian Park North, which is a 0.5 north of Equestrian Park South on Magic Way. Equestrian Park South will only allow quick drop off/pick up of athletes; and packet pick up, prior to relocating to the designated race parking area.

Gear / Clothing Drop – A secure gear drop will be provided for personal items or discarded clothing at the race start. Please leave any valuable items at home or safely locked in your car.

Aid Stations - Aid Stations will be stocked with water, and Gatorade. Fluids will be available in small disposable cups, though the aid stations will be happy to refill your own water bottle as well, should you choose to carry one. Please dispose of cups in designated drop areas.

Timing – All participants will pick up their timing chip on race morning. This will be located on the back of your race bib/number. Do not exchange timing chips with another athlete; your timing chip is unique to you. Please do not remove it.

Get Your Results Faster - Results will be posted on the side of the finish line trailer and will be updated throughout the day. Get a printed receipt with your official finish time at the timing trailer after you cross the finish line. Immediately access your official time by visiting the Race Results page at <https://my.raceresult.com/225253/>

Recycled Race Gear – You will receive 1 shirt, 1 race bib and a finisher medal (all recycled material, so it will not be the same as everyone else). All this gear was leftover at previous BBSC events.

Attend early packet pick up if you want the most options in color and size. A recycled finisher medal will be distributed to each athlete at the finish line. You are welcome to request a different finisher medal, since they are different.

BBSC Rules & Policies - Bibs are non-transferable and cannot be transferred from one person to another. Your bib provides BBSC with very important identifying information for the purposes of our medical program as well as timing. Transferring the bib would compromise these processes severely. We appreciate your cooperation. Violation of this rule may prohibit you from participation in future events and disqualify you from

awards. Thank you for your understanding.

USATF Rules – This is a USA Track & Field sanctioned event. It is suggested that you make yourself aware of all USATF rules and guidelines before arriving on race day. USATF Rulebook link: www.usatf.org/About/Competition-Rules.aspx

Medical - Medical Support will be located near the finish line. If you need medical assistance while on the course, look for support vehicles, aid station volunteers or tell another athlete and they will call it out to us as they pass by. All aid stations will be equipped with two-way radios for direct communication to medical support.

Hydration – Avoid a visit to the medics! The best strategy for runners is to maintain focus on staying fully hydrated beginning one week before race day, but good hydration is especially critical for two or three days prior to the race. Please consider hydration as a key to having your best race and avoiding a visit with the medics!

Post-Race Food –Snacks will be available for all finishers after the race!

Lost and Found - Return or check for lost equipment at the Timing Trailer, located near the finish line. Should you return home with gear that is not yours, or that you are missing, email info@bbscr.com

Audio Devices - Audio devices, headphones/ear buds will be allowed on the course, so pack the jams and get ready to rock out!

Awards - The overall top three winners in the men and women's Half Marathon, 10K and 5K will be awarded.
